Controllers

To see a list of supported controllers and how to set them up (and any quirks with doing so):

- Supported controllers
- Map a controller

For setting up non-behaving Bluetooth controllers:

- Manual Bluetooth controller setup

For setting up arcade controls with various DIY encoders:

- Arcade controls

To set up light gun controllers (including using Wiimotes as faux light guns or Wii usage):

- Light gun controls

For old instructions on how to set up the Mayflash Dolphin for use with various systems:

- Mayflash Dolphinbar
