# Emulators & Ports

For information about a particular system/handheld/port/arcade:

- [All systems](#)

If you're getting into arcade emulation, it's highly recommended to give this guide a read first:

- [Arcade guide](#)

Once you're more familiar with arcade emulation and want to find out how to utilize the more advanced features such as dipswitch settings:

- [Advanced arcade info](#)

If you're wondering why a particular emulator isn't available on a given platform:

- [Unsupported emulators FAQ](#)
